

THE MAILROOM OF
Santa Claus

2025

My dearest [Children's Names],

It's Santa here, writing to you from the warmth of my little office at the North Pole. Outside, white snow is falling softly, and Mrs. Claus has just baked a batch of her famous cookies. Yum! The whole workshop smells like cinnamon, magic and cheer.

The elves are busy wrapping presents and humming Christmas songs and every time they talk about kind, cheerful children, your names pop right up! [Children's Names], I've seen how much love and joy you bring to everyone around you so keep up the great work, my little friends. I know your Mummy and Daddy are so proud of you!

Rudolph's nose is shining bright, and he's already planning our flight path to your family on Christmas Eve. I can't wait to visit and leave something special for you all. But remember, Christmas isn't only about gifts. It's about the love we share, the laughter we spread, and the kindness we show every day.

I hear you're staying at a very special place this year. Dorsett Melbourne is a cosy place to be when the city bustles outside your window! When you snuggle up this Christmas Eve, listen for sleigh bells as we fly through the night, and never stop dreaming. You are loved more than you know, my precious [Children's Name].

With a heart full of Christmas cheer,

Santa Claus
